Experience An Adventure At Landmark Park

There's an adventure waiting for you and your family, just on the outskirts of Dothan... Landmark Park. A 100-acre park built to preserve the natural and cultural heritage of southeast Alabama's Wiregrass Region. Landmark Park is more than just a place to look. It is a place to participate and experience.

Experience history on an 1890's living history farm, complete with an old farmhouse, smokehouse, cane mill, syrup shed, and sheep, goats, and pigs. Drift back in time in a Victorian gazebo, a one-room schoolhouse, a drugstore/doctor's office, a country store or a turn-of-the-century church.

Experience nature with a walk through the woods on an elevated boardwalk, stroll nature trails, visit our interpretive center and planetarium, see wildlife exhibits and have a picnic in our picnic area.

Experience the excitement of annual special events like folklife festivals, antique car shows, traveling exhibits, concerts, and workshops.

Experience the heritage of the Wiregrass Region and **Experience An Adventure.**
